MILESTONE Living

All MILESTONE Living products follow an ALL-IN concept and combine fully furnished apartments with the highest design and quality standards and an international community.

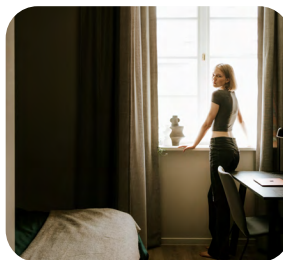

- Premium Living Concept throughout Europe: MILESTONE Student Living, MILESTONE Urban Living, MILESTONE Silver Living.
- MILESTONE is Austria's market leader for exclusive student living in serviced apartments and active throughout Europe.
- MILESTONE Living products follow an ALL-IN concept and combine fully furnished apartments with highest design and quality standards as well as an international community.

For various investors, MILESTONE manages more than 3,000 beds spread over 16 buildings in eleven European cities: Aachen, Bonn, Rotterdam, Wroclaw, Krakow, Gdansk, Vienna, Graz, Leoben, Linz, Porto and Carcavelos.

MILESTONE Student Living

Since the opening of the first house, MILESTONE Vienna Prater in 2013, further student residences have been opened in Portugal, Germany, Poland, the Netherlands and Austria. MILESTONE is a pan-European student accommodation operator and is on an expansion course in Europe.

MILESTONE Urban Living

The serviced apartments for long-term stays have hotel character and offer young professionals, digital nomads, contract workers or PhD students the right home on their way to success. The co-working spaces offer the perfect opportunity to make contacts and expand your network. The convenience of the digital customer journey combined with all-round service leave nothing to be desired. The first house will open in Krakow in October 2023.

MILESTONE Silver Living

MILESTONE Silver Living is a new living concept for people aged 65 and over. The houses offer all the prerequisites for an active and fulfilling life. The focus is on health, culture and enjoyment. The community manager provides a balanced program of activities adapted to the individual needs of the community. The first project opens at the end of 2024.
